

1	Identification of the preparation and the supplying Company	<p>1.1 Product names: - PX17 &amp; PX19</p> <p>1.2 Product description and use:- PX17 Solid block of odour counteractant and fragranced oils inside a plastic pot with lid. PX19 Solid block of odour counteractant and fragranced oils for housing securely inside a hard plastic container, which is placed in the space/room/area to be deodorised. Vapour release can be controlled by adjusting the vents on the plastic container. This data sheet describes attributes of the impregnated blocks mentioned in the descriptions above.</p> <p>1.3 Distributor/supplier: - Killgerm Chemicals Ltd, Denholme Drive, Ossett, West Yorkshire, WF5 9NA.</p> <p>1.4 Emergency phone no: 01924 26452 (office hours)</p>
2	Hazards identification	<p>2.1 Not classified as hazardous from a human health standpoint.</p> <p>2.2 Not classified by physico/chemical considerations.</p> <p>2.3 Not classified as hazardous to the environment.</p>
3	Composition and information on ingredients	Contains Isopropanol and fragrance chemicals incorporated onto a solid block formulation.
4	First Aid measures	<p>Eye contact- Wash immediately with water for at least 15 minutes, with eyelids held open. Seek medical attention if irritation persists.</p> <p>Skin contact- Wash thoroughly with soap and water.</p> <p>Swallowed- Wash out mouth with water, give water to drink. Seek medical advice.</p> <p>Inhaled- Move to fresh air.</p> <p>Advice to doctor- Contains isopropanol.</p>
5	Fire-fighting measures	<p>5.1 <b>Suitable extinguishing media:</b> CO2, dry chemical, foam or water spray.</p> <p>5.2 <b>Unsuitable extinguishing media:</b> None.</p> <p>5.3 <b>Special protective equipments:</b> Self-contained breathing apparatus should be worn by fire fighters.</p> <p><b>Other information:</b> Toxic fumes will be evolved in a fire.</p>
6	Accidental release measures	Sweep up materials into a marked bag. Dispose of safely.
7	Handling and storage	<p>Keep out of reach of children. Product is not a toy.</p> <p>Do not get in eyes.</p> <p>Avoid contact with eyes, skin or clothing.</p> <p>Wash hands after using.</p>
8	Exposure controls and personal protection	No personal protection required under normal circumstances. Wear gloves if dealing with broken containers.
9	Physical and chemical properties	<p>Appearance- As per descriptions in section 1.</p> <p>Odour- Characteristic.</p>
10	Stability and reactivity	Stable product. Not reactive. Do not mix with oxidisers or other cleaning chemicals.
11	Toxicological information	No data available.
12	Ecological information	No data available.
13	Disposal considerations	Dispose of safely as controlled, non-hazardous waste.
14	Transport information	Not classified as hazardous for transport.
15	Regulatory information	<ul style="list-style-type: none"> <li>• This preparation has been classified in accordance with The Chemicals (Hazard Information and Packaging for Supply) Regulations 2002: CHIP 3. These implement the Dangerous Preparations Directive- 99/35/EC. This Safety Data Sheet complies with Annex II of the REACH regulations.</li> <li>• Refer to other relevant measures such as the Health and Safety at Work etc Act 1974 and the COSHH regulations and guidance.</li> <li>• The information contained in this data sheet does not constitute the user's own assessment of workplace risks as required by legislation.</li> <li>• Hazard symbols: - None</li> <li>• Risk phrases: - None</li> <li>• Safety phrases: - None</li> </ul>
16	Other information	<p>Use only in accordance with label instructions.</p> <p>The information in this data sheet should be considered when undertaking a risk assessment under the COSHH regulations.</p> <p>This data sheet does not constitute a COSHH assessment.</p> <p>The information contained within this data sheet is strictly for general guidance only and should not be relied upon over and above this. This data sheet is intended to provide general health and safety guidance on the handling, storage and transportation of the preparation. The information provided in this data sheet is accurate at the date of publication and will be updated as and when appropriate. No liability will be accepted by Killgerm Chemicals Ltd for any loss, injury or damage arising from any failure to comply with the information and advice contained within this data sheet and/or failure to comply with the manufacturer's guidelines, product label data and any associated technical usage literature.</p>
